Please bring your “Car Tag” with you when you pick up your child. It is the laminated sheet that has your child’s student ID code. Please put this on the passenger side of your car dash window.

This is the new routine for Pick Up Students:

When you enter the school grounds, the App will allow you to “ANNOUNCE” that you are in line. Please wait until you have come to a STOP before accessing your app, we don’t need any fender benders. Our dismissal time is 3:18 P.M. If you get here at 3:05 P.M. and announce that you are here your child will be dismissed at the regular dismissal time of 3:18 P.M.

This area will be green when you are in the parking lot.

As you enter keep to the right in a single line.

Keep along the back edge of the parking lot along Hooper Street.

At the corner by the Middle School, we will split into 3 lines. We will move you along at the same time so one line will not move faster than the other.

At the Split you will be greeted by a staff member to check your child ID tag and make sure you are in the system correctly.

As you get to the front of the line, a second staff member will assign you a number for you to meet your child. When you are given that signal please pull forward to the designated sign to pick up your child.

Your child will remain by the number until you come to a complete stop. You are responsible for making sure they are secure. If you need extra time to secure them please leave this area and move into the parking lot to complete that task.

Points to Ponder:

Option #1

If you have a student that is meeting you at McComb from a different school, you may want to delay your entry into the queue (line) until 3:25 P.M. as that is when Schall School Shuttle Bus arrives at McComb. Students from other buildings will be asked to wait at the benches. Once their sibling from McComb has been called to a number, they can then join them.

OR

Option #2

If you would rather get in line at McComb before your other students arrive, you may pick up your McComb student through the car line. You may then leave the numbered area and park in a parking spot. When the other students arrive, they can wait for you at the benches. You must escort your other students through the parking lot. Remember: there will be constantly moving traffic so that is why an adult must escort the student through the parking lot.

♥ Thank you for partnering with McComb to keep our kids safe! ♥
